Features an integrated LED light source that is ready to use out of the package. Simply pull the tab.

Medium

Small

Extra Small

Large

100% acrylic, as opposed to an acrylic styrene mix, is 50% stronger, minimising the chance of cracking or breaking

Provides continuous output for 30 minutes

Emits crisp white light with no blue or yellow hues for true visualisation of tissue colour

## Welch Allyn

### Green Series™ LED Medical Exam Lighting

**Whiter, Brighter**  
**AND Greener**

### Welch Allyn Green Series™ LED Medical Exam Lights

Lower cost of ownership due to elimination of bulb replacement and lower energy consumption

Helps you see true tissue colour rendition and provides a uniform light spot

Reduced risk of cross-contamination for your patients with touchless on/off and optional disposable sheaths

Available with optional wall/table mount or mobile stand

Optional ceiling mount available for GS 900 Procedure Light

**WelchAllyn®**

## KleenSpec® Cordless Illumination System

Designed with enhanced unique features, including bright, white light with Welch Allyn's LED light sources.

### Features

- Advanced LED light source provides improved visualisation of the exam area by supplying brighter, whiter light
- No cord to get in the way during procedures
- Automatically illuminates upon insertion of the illuminator and once it is removed the light goes off
- Use your Cordless Illumination System as an all purpose light source as well as with the KleenSpec® Disposable Vaginal Speculum

WL59010B	Disposable sheath available for use with illuminator	Box/100	<b>\$89.00</b>
WL79900	KleenSpec Illuminator only	Each	<b>\$245.00</b>
WL79916	KleenSpec Illuminator with Charging Station	Each	<b>\$345.00</b>

## KleenSpec® Disposable Vaginal Specula

### Features

- Eliminate time and expense of reprocessing and reduce the chance of cross-contamination
- Smooth, moulded acrylic will not pinch or bind tissue for greater patient comfort during exam
- New design provides a homogeneous spot and eliminates glare back
- Newer wider handle much easier to manipulate during exams
