

# Introducing the **NEW** Vernacare

# C MPACT

Infection prevention at the point of care

- ✓ Improves infection prevention & control
- ✓ Increases patient and staff dignity
- ✓ Saves nurse time and improves productivity

## Why choose the Vernacare Compact?

Compact Code: 2050ZA001

The Vernacare Compact is built for smarter infection prevention. Small enough to be located at the point of care, it provides a quick and hygienic solution for the disposal of Vernacare single-use receptacles which have been used to deliver patient care. Inside, the unique SmartFlow™ technology keeps drains flowing.

# The Vernacare Disposable System

Exclusive to Vital Medical Supplies, the Vernacare disposable system has led the way in modern, hygienic and cost effective human waste management for more than five decades. Designed to help protect the nurse and patient from the risk of infection, the comprehensive range of pulp receptacles are manufactured in the UK and carry the B.S.I Kitemark certification to guarantee effective liquid retention and maceration.
