## REMOVE®

Adhesive Remover

REMOVE® is a gentle solvent used to remove adhesive dressings and tapes. It dissolves adhesives and assists in removing acrylic-based, rubber-based and hydrocolloid-based residues from the skin without irritation or trauma.

REMOVE® is aloe-formulated to moisturise and condition tender or friable skin.

- Minimises trauma caused by adhesive removal
- Removes adhesive residue from skin

## PRIMASWAB<sup>◇</sup>

### Skin Cleansing Alcohol Wipe

Simple and quick cleansing.

- Two-ply skin cleansing wipes
- Individually packed
- Saturated with 70% v/v isopropyl alcohol.

	Pk/200
SN36361526	<b>\$5.40</b>

## SKIN-PREP<sup>◇</sup>

### Protective Barrier Wipe

SKIN-PREP<sup>◇</sup> protective barrier wipe provides an effective barrier between the patient's skin and adhesives, to help preserve skin integrity and prevent damage or injury during removal of tapes and films.

- Applies a coating that prepares the skin for adhesives and provides a protective interface
- Helps tape, film and appliance adhesion
- Easily applied, even on awkward areas such as elbows, knees and heels
- Paediatric tested

	Box/50	3+
SN420400	\$29.80	<b>\$27.40</b>
GST Free		

## ZOFF<sup>◇</sup>

### Adhesive Remover Liquid

ZOFF<sup>◇</sup> is a universal adhesive remover ideal for the painless removal of adhesive tapes, dressings and acrylics such as hydrocolloids. It contains no trichloroethane and is easy to use.

	Each	3+
SN36105120	250ml Btl	<b>\$14.35</b>

## SECURA<sup>◇</sup> No-Sting Barrier Film

Alcohol-free, liquid film-forming skin protectant that minimises stinging.

- Protects intact and damaged skin from irritation due to incontinence, bodily fluids, adhesives, trauma, and frictional forces
- Protects skin integrity from trauma during tape and adhesive removal
- Sterile and fast drying (under 30 seconds)
- Effective barrier for up to 96 hours (4 days)
- Waterproof, breathable and transparent for visual skin inspection
- Chlorhexidine Gluconate compatible and paediatric tested

	Box/50	3+
SN59420600	\$79.00	<b>\$72.00</b>
GST Free		

## Askina<sup>®</sup> Barrier Film Spray

Askina<sup>®</sup> Barrier Film Spray is a no sting, rapid drying, breathable skin barrier designed for wound care to prevent skin breakdown caused by friction or moisture.

- Protection of vulnerable areas: heels, elbows, toes, hips – from the first signs of reddening caused by friction
- Protection of incontinent patients' skin
- Round fixation sites for drainage tubes and external catheters
- To maintain the integrity of newly healed skin to stop secondary breakdown.

	Each	3+
BB4002801	28mL Spray	<b>\$13.75</b>

## Askina<sup>®</sup> Barrier Cream

Askina<sup>®</sup> Barrier Cream acts as a lasting protective barrier on skin of incontinent patients, exposed to the irritating effect of urine and stools.

When applied, it is quickly absorbed, leaving an invisible breathable water repellent layer, resistant to wash-off. It efficiently moisturizes very dry skin. It can also be used for skin protection whenever there is a risk of skin breakdown due to prolonged contact with body fluids.

EXCEPTIONAL VALUE

	Tube	
BB4112812	Askina Barrier Cream 28g	<b>\$5.95</b>
BB4119212	Askina Barrier Cream 92g	<b>\$11.95</b>

## 3M™ Cavilon™ No Sting Barrier Film

Cavilon No Sting Barrier Film is a unique, fast drying, alcohol free, highly effective moisture barrier film that protects the skin against adhesive trauma, bodily fluids, friction and incontinence.

- Does not transfer off or block incontinence pads
- Can be used on intact AND broken skin
- Lasts up to 72 hours when used for incontinence on intact skin
- Breathable and transparent allowing for continuous visualisation and monitoring of the skin
- Flexible and conforms to skin during movement.

		Box/30	2+

## SECURA<sup>o</sup> Barrier Cream D

### Skin Protectant

SECURA<sup>o</sup> Barrier Cream D is a moisturizing skin protectant that maintains skin integrity by protecting the skin from exposure to faeces, urine and bodily fluids. Can also be used to moisturise and condition dry skin.

- Dual action as a moisturiser and barrier cream
- 5% Dimethicone provides maximum protection
- Transparent application allows for visual inspection of skin
- Does not clog incontinence pads
- Fragrance free and suitable for delicate/fragile skin
- Paediatric tested for safety

		Tube	12+
SN66800983	92g	\$16.35	<b>\$15.00</b>
SN66800986	28g	\$8.45	<b>\$7.75</b>

Also available:
