

3M™ Avagard™ General Hand and Body Wash

10-15 secs.
(or as per hospital protocol)

Easy step guide to routine/social hand wash.

1 Wet hands. Dispense hand wash product into cupped hand.

2 Work up a lather and rub the product over your hands well, rotating them for 10-15 seconds.

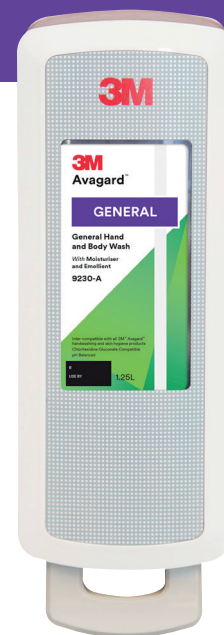

3 Ensure product covers all hand surfaces.

4 Pay special attention to fingers, nails, thumbs, backs of hands, and webbing.

5 Rinse thoroughly. Pat dry with paper towel. Do not touch taps with clean hands. Use elbows or paper towel. If hands feel tacky, re-rinse and dry.

**Remove all jewellery.
Apply to wet hands.**

**Remember to
moisturise.**
