

REDUCE THE RISK OF HEALTHCARE-ASSOCIATED INFECTIONS WITH AN ALL-PURPOSE MEDICAL TOWEL

You need a product that's versatile – one towel that can clean up spills on surfaces, yet is gentle and absorbent enough to use on frequently washed hands.

OUR SOLUTION IS HALYARD VERSA* TOWEL

VERSA* Towel is made from high quality, white two ply crepe wadding, so it provides excellent absorbency. As it's a softer and bulkier crepe, it's gentle on skin without chafing for frequent hand drying.

Due to its high level performance and quality, VERSA* Towel has many applications across a spectrum of medical and non-medical areas.
